

Filmmaker Jeff Feuerzeig chronicles the life of a manic-depressive musician and artist, using a blend of home movies, Johnston's own audiotapes, vintage performances and current footage. Johnston has recorded more than 10 full-length albums and amassed a prolific portfolio of sketches, and has among his supporters Matt Groening, David Bowie, Sonic Youth, Beck, and Tom Waits.

Come join us for "The Devil and Daniel Johnston" with discussion afterwards.

Saturday, June 30th, 2018

Movie will be shown after lunch at noon.

Please RSVP to Drop-In (847) 621-2040 Ext.
